This image shows a full page of graph paper. The grid consists of 20 columns and 30 rows of small squares, forming a large rectangular area. The lines are thin and black, creating a uniform grid pattern across the page.

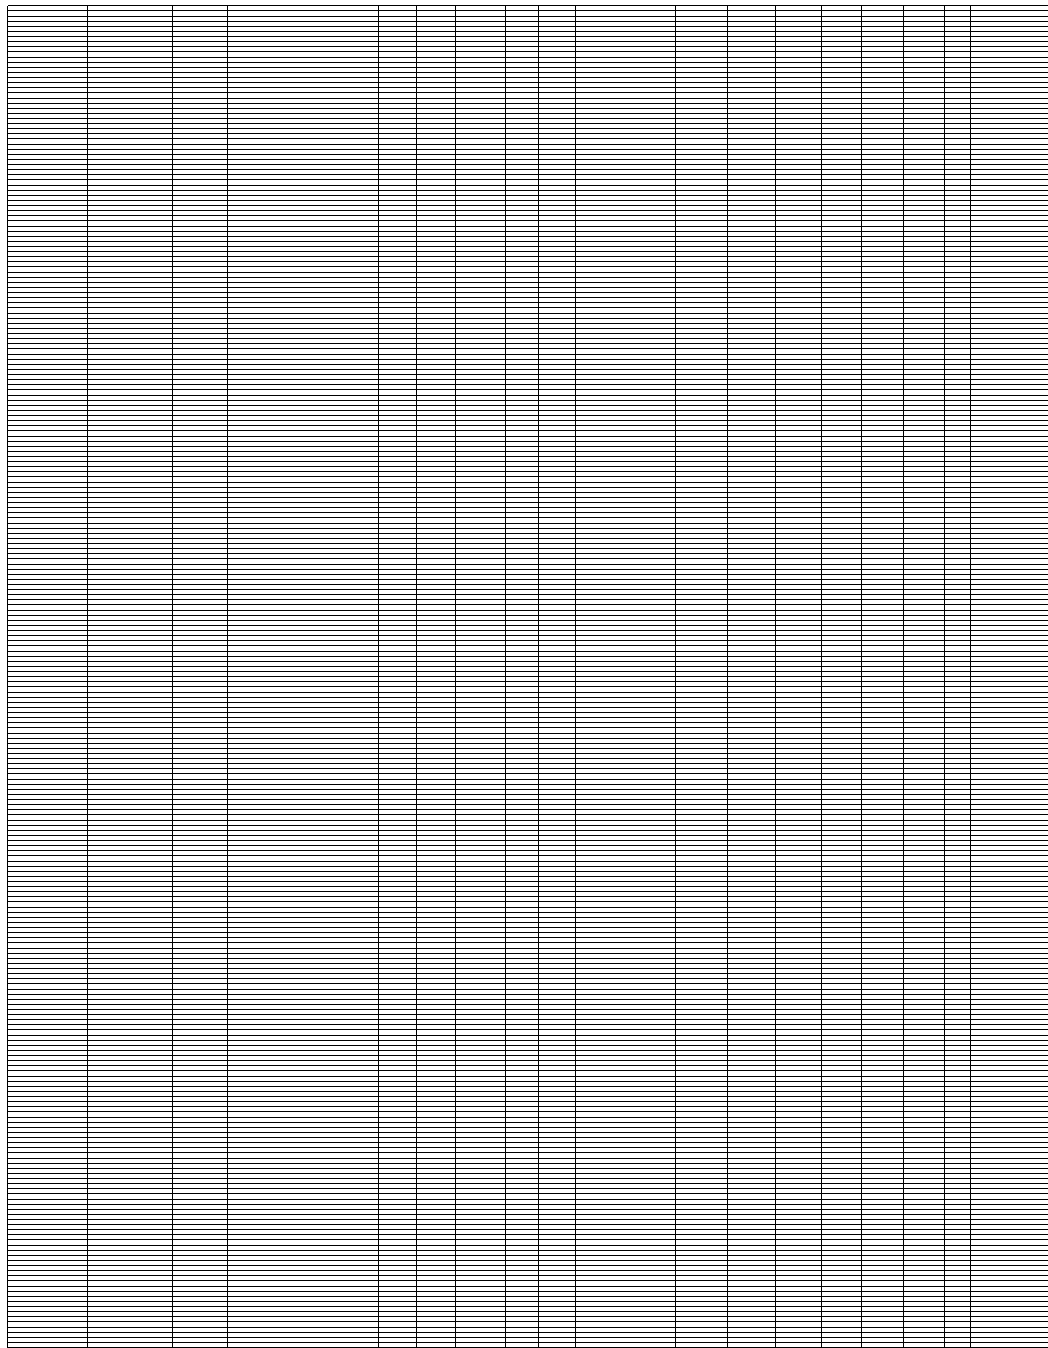

This image shows a large, empty grid of cells, typical of a spreadsheet or ledger page. The grid consists of 20 columns and 50 rows, forming a rectangular area with a thin border. The cells are uniformly sized and spaced, with no text or data entered.

A large empty grid table with 20 columns and 30 rows. The table is composed of a series of small, uniform rectangular cells. There are no headers, footers, or any data entered within the table.

A large, empty grid of graph paper, consisting of a uniform pattern of small squares. The grid is centered on the page and occupies most of its width and height. The lines are thin and black, creating a clean, uncluttered workspace for drawing or calculations.
