

The image shows a large, empty grid of cells, resembling a spreadsheet or a data table. The grid is composed of approximately 20 columns and 40 rows of small, uniform cells. The cells are arranged in a regular pattern and are currently empty, with no text or data entered. The grid is centered on a white background.

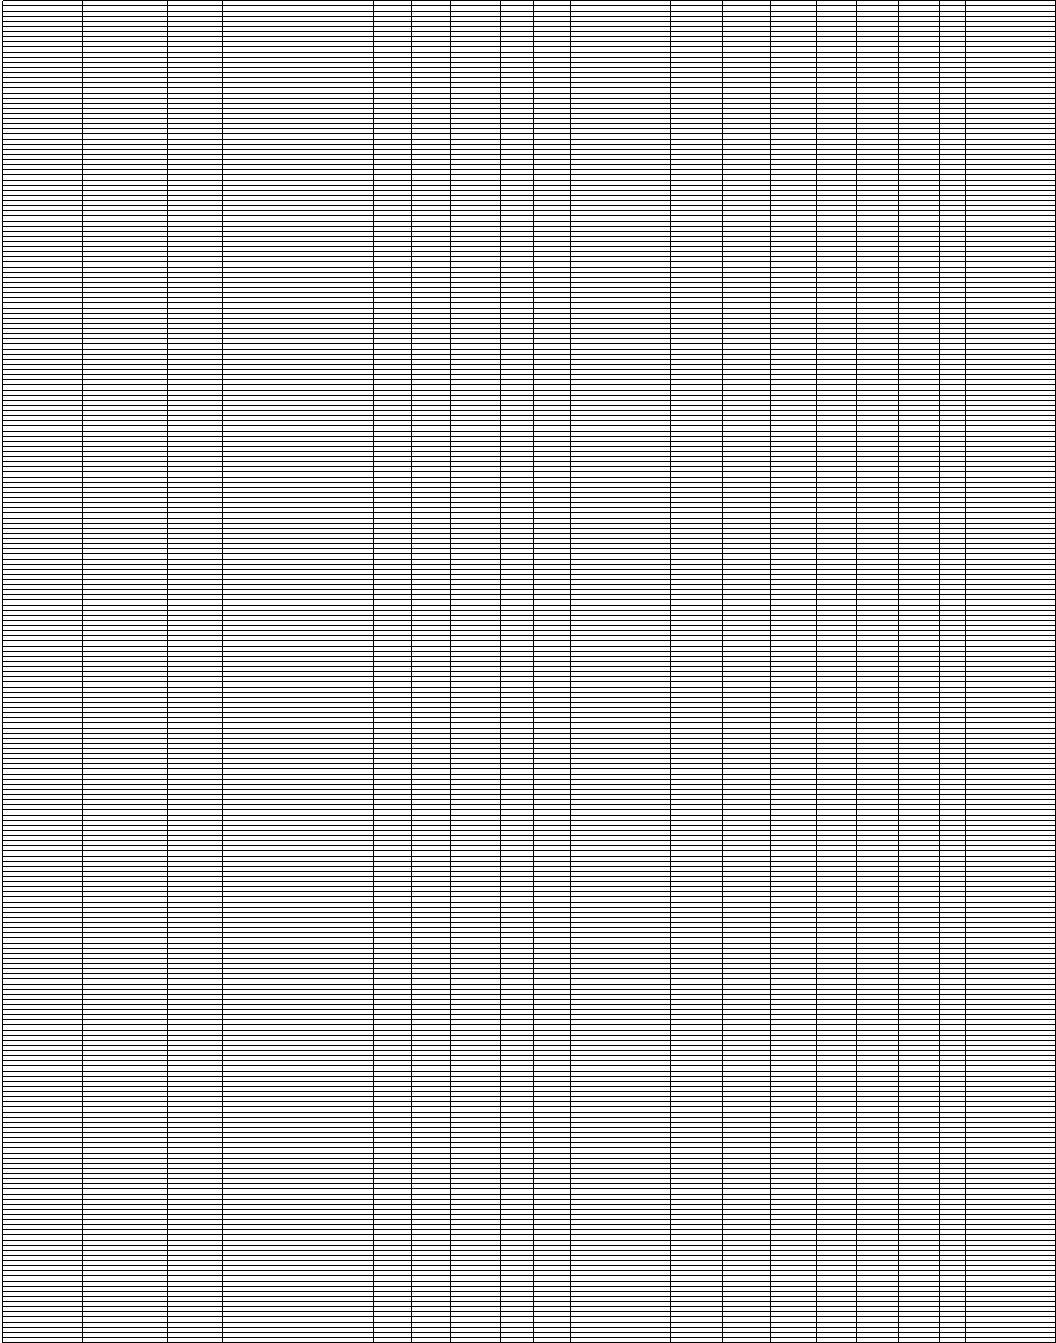

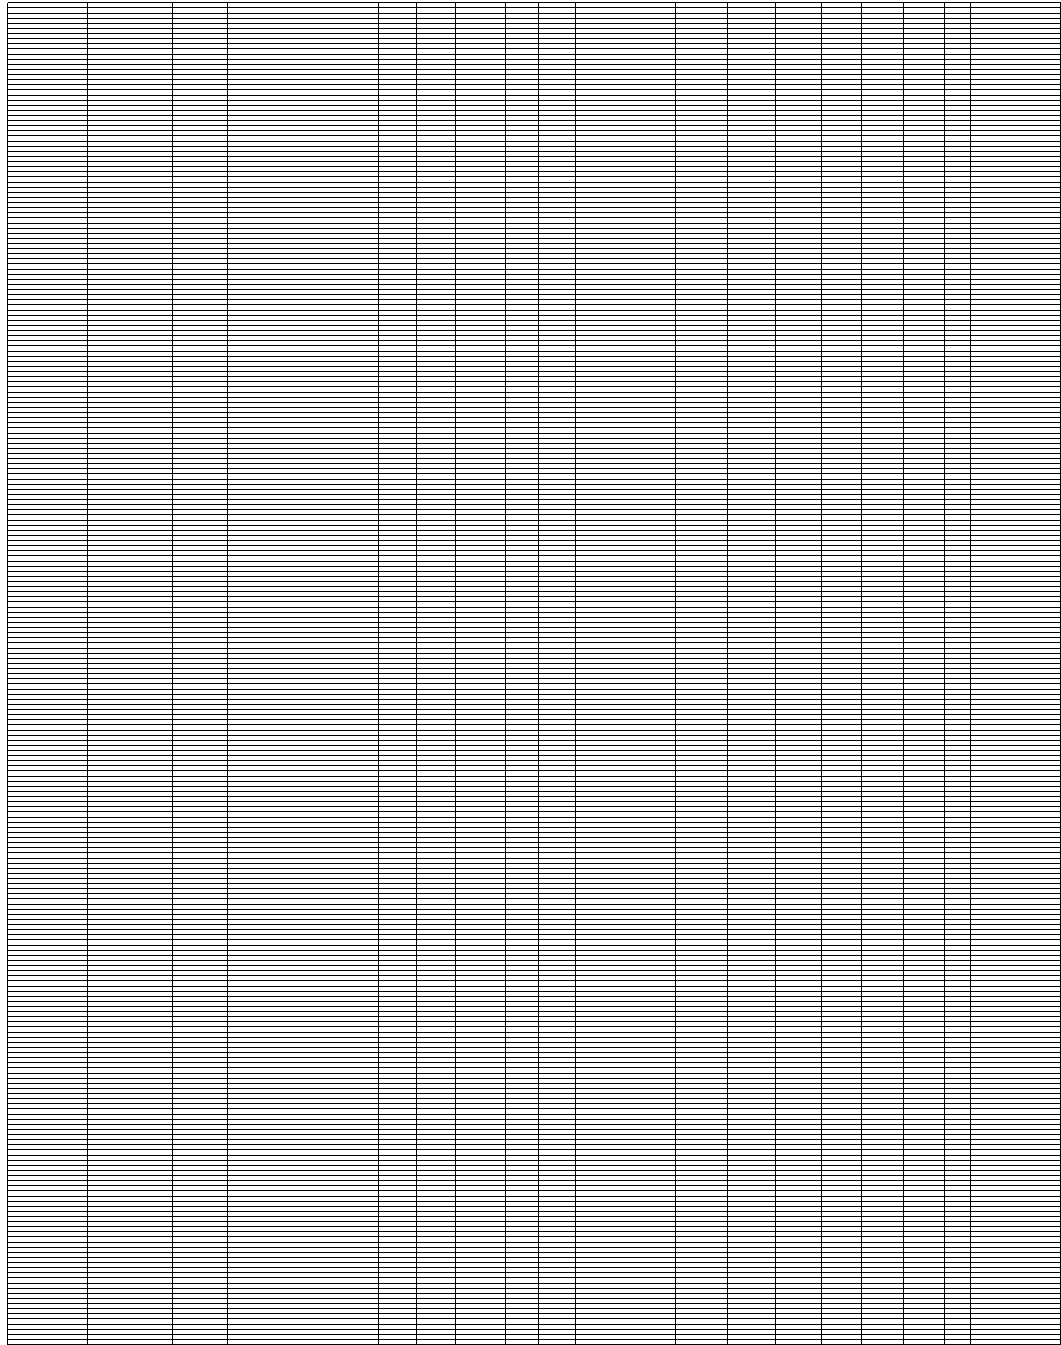

This image displays a large, empty grid of cells, resembling a spreadsheet or data table. The grid is composed of numerous small, uniform rectangular cells arranged in a regular pattern. The cells are currently blank, with no text or data entered. The grid is centered on a white background.

This image displays a large, empty grid of cells, resembling graph paper or a data table. The grid is composed of approximately 28 columns and 40 rows of small, uniform rectangular cells. The lines forming the grid are thin and black, creating a consistent pattern across the entire area.

This image contains a large, empty grid table. The table is composed of many columns and rows, forming a dense rectangular grid. It is currently blank, with no data or text inside the cells. The grid is centered on the page.

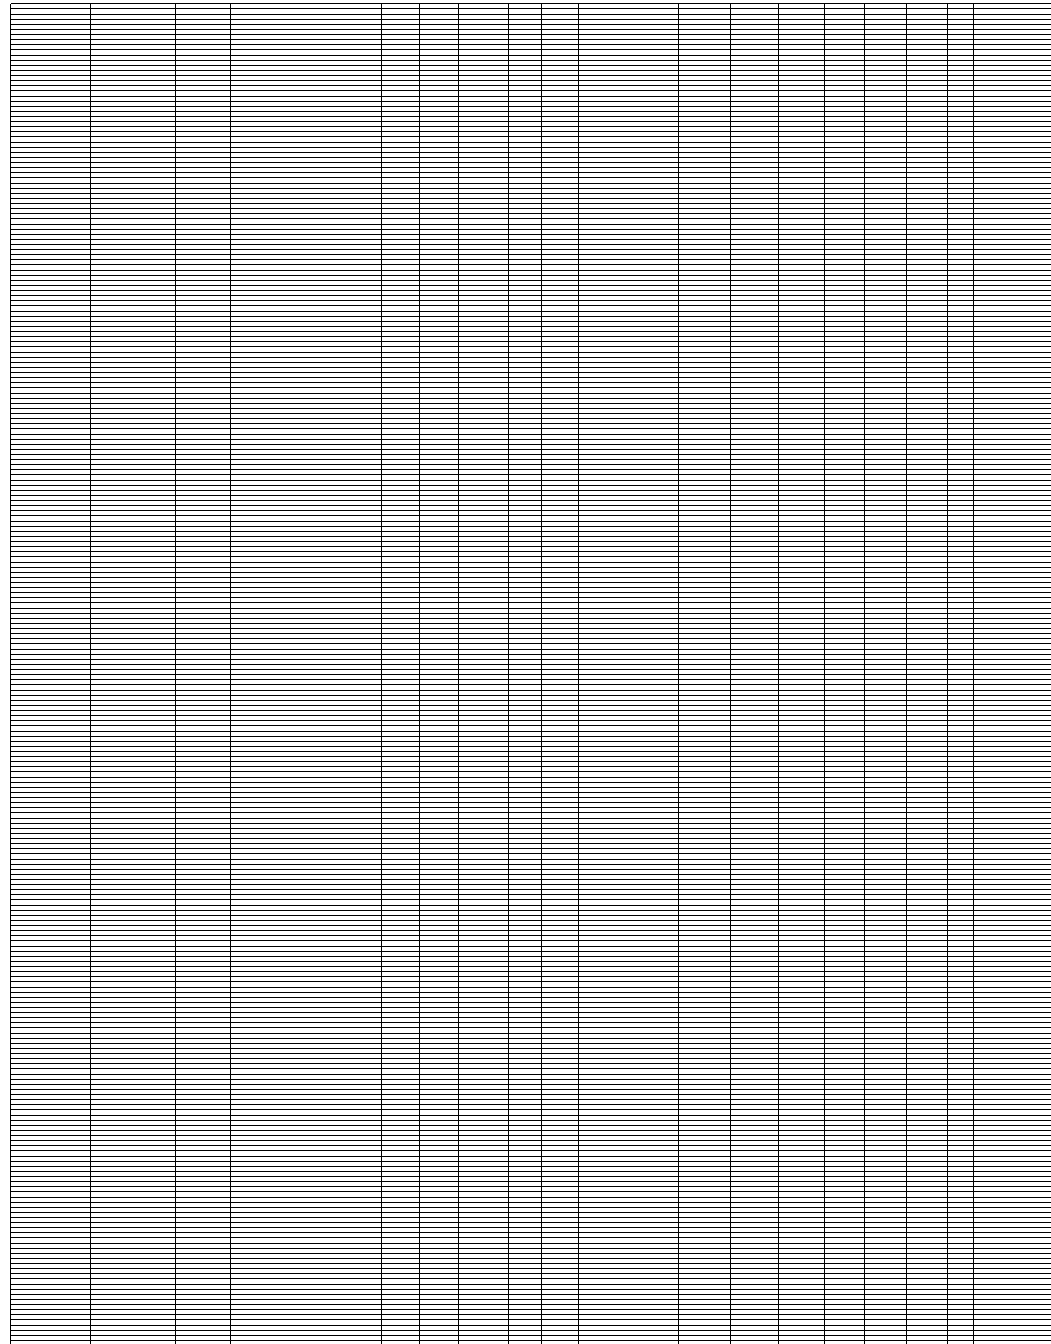

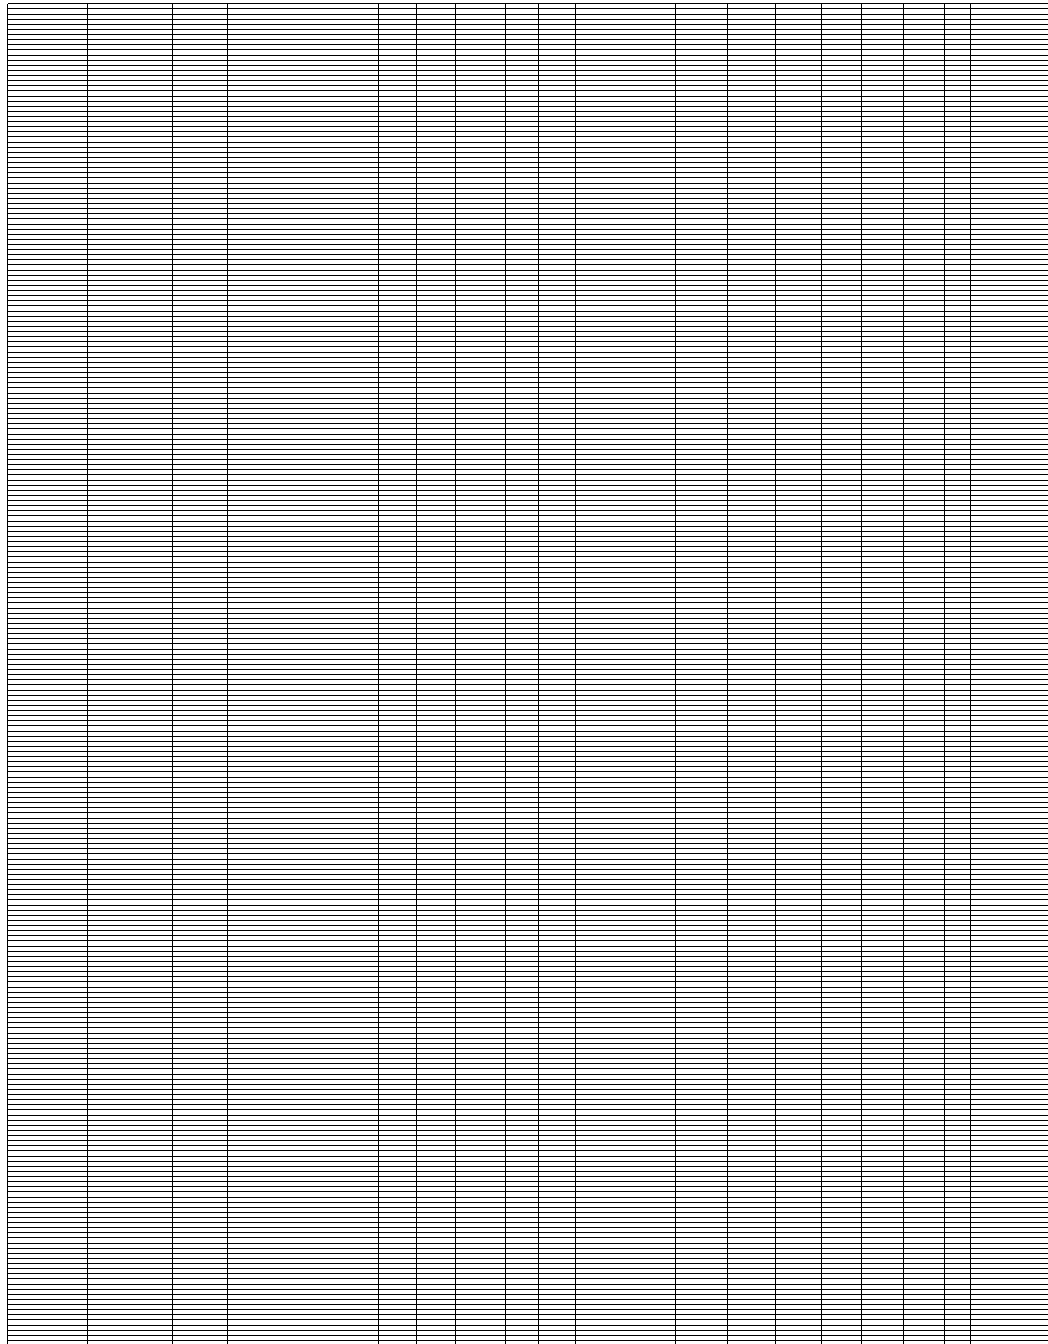

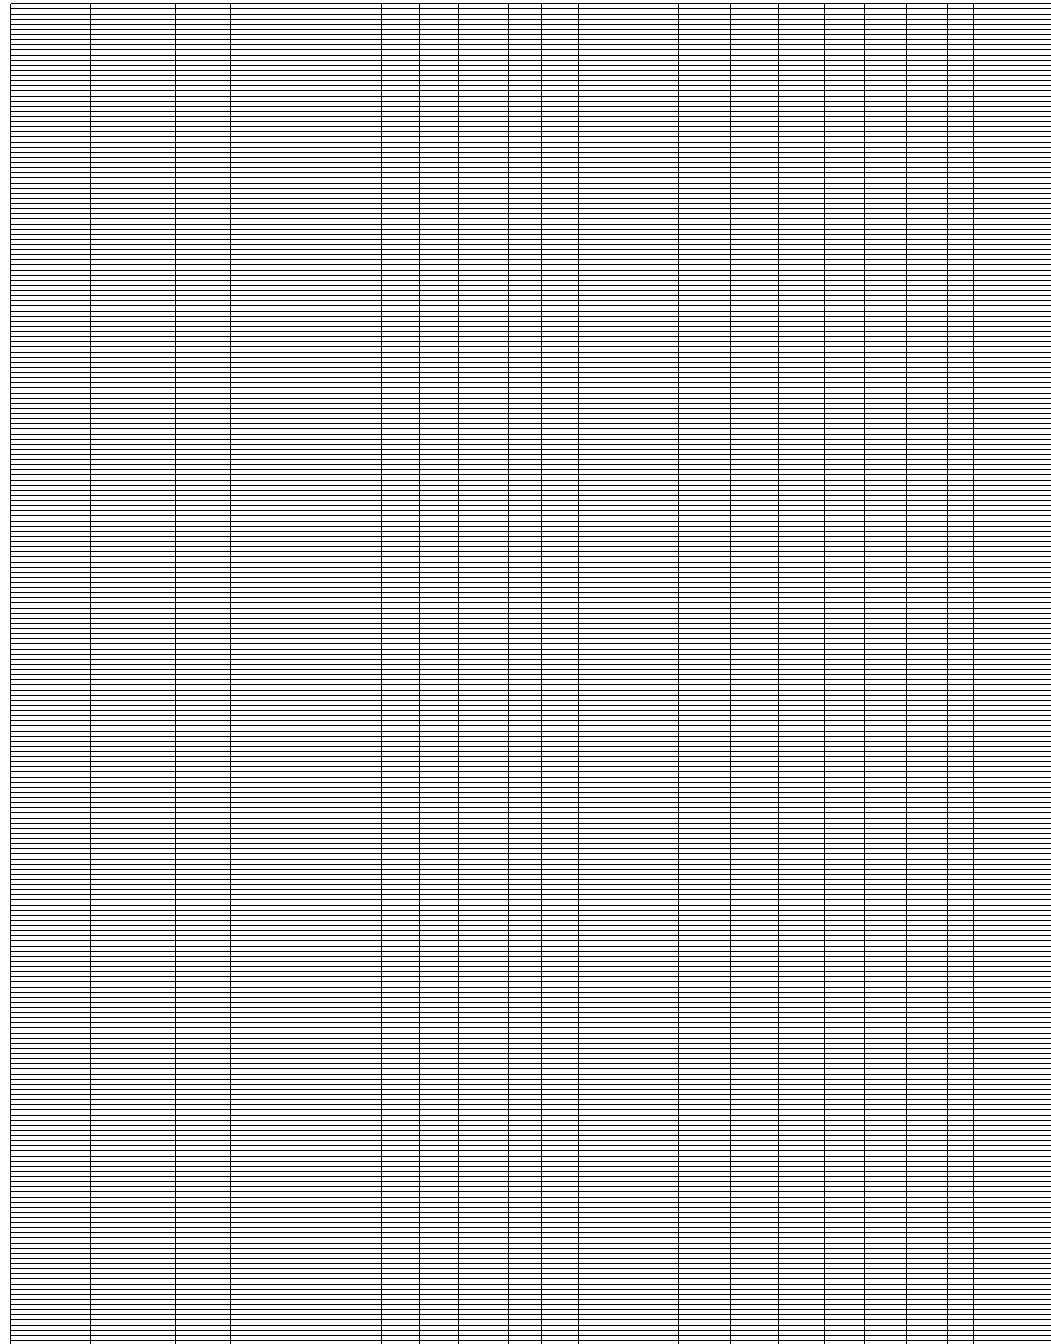

A large grid of graph paper with 20 columns and 25 rows. The grid is composed of 400 small squares. The lines are thin and black, creating a uniform pattern across the entire page. There is no text or other content on the page.
